TASTING PANEL RESULTS

Confident a fine breakfast could be had at all the establishments readers recommended, my tasting panel opted to visit breakfast venues that tourists, not locals, most often frequent: hotel dining rooms. LURE Restaurant in the Delta Victoria Ocean Pointe Hotel was our favourite.

The room is stunning, the service extremely professional, the menu and the presentation well thought out and the food preparation of a high standard.

1. LURE Restaurant, Delta Victoria Ocean Pointe Hotel, 45 Songhees Rd., Victoria
